

## Kutztown Rotary Centennial Project

# Picnic Tables for Kutztown Park

Be a Kutztown Rotary Centennial Project sponsor. The club is providing durable picnic tables for Kutztown Park. To help finance the project there will be a monument made up of bricks with the names of Rotarians and others who participate. The donation required for a brick to be placed on the monument is \$100. For a \$100 donation, we will place a brick with the name of a present or past Rotary member and the Rotary wheel on the monument.
