

Kutztown Rotary Centennial Project

Picnic Tables for Kutztown Park

Help provide picnic tables for Kutztown Park. The Kutztown Rotary Club is providing durable picnic tables for Kutztown Park. To help finance the project there will be a monument made up of bricks with the names of those who participate. The donation required for a brick to be placed on the monument is \$100. For a \$100 donation Rotary will place a brick with the name you specify and will donate \$25 to the charitable organization you select.

Example of a Rotary Centennial Project Brick: 4"x8"
